Ethics Corner

Why Ethics for Doctors?

- To improve the **Quality and Consistency of our Professional work!**

- To give utmost respect to **Human Life and patient safety!**

- To consecrate our life to **serve Humanity!**

- To achieve **High Quality of Health Care!**

- To make **Doctors Responsible Citizens!**

- To develop **appropriate behaviour** with **Patient and Public!**

- To preserve the **traditional Nobility** of **our Medical Profession!**

- To avoid **ethical and legal problems** by **respecting the Laws** of our Country!

- To maintain **Professional Secrecy!**

- Ultimately to Strengthen Doctor-Doctor Relationship, Doctor- Patient Relationship and Doctor - Public Relationship which are the needs of the day to have a peaceful Medical Practice!
